

Poker Dealer

Grey Rock Casino was founded in 2015 and has been a booming business since. It is a modern, state of the art Casino, Bingo, dining and event experience. It is part of a Group of Companies named Donna Cona which includes: IT strategic planning, health services, program evaluation, custom application, and many more. Grey Rock Casino is part of the largest Aboriginal owned and operated business and technology consulting service company in Canada. While being located on the Madawaska Maliseet First Nation Reserve, the Grey Rock Casino is privately owned.
